About this Sunday

GRADUATE RECOGNITION SUNDAY

Today, we recognize the Graduating Class of 2022. Education is a critically important value to Mount Moriah. Why? Education has been fundamental to the lifting of our people. That lifting is reflected on the program's back cover in the monument known as *Lifting the Veil of Ignorance* located on the campus of Tuskegee University. A replica sits in Atlanta at Booker. T. Washington High School.

The original was unveiled and dedicated 100 years ago as a tribute to the founder of Tuskegee University, Booker T. Washington. The state of Black people is symbolized by the slave, and Washington pointing the way to progress and a better life through education and industry.

May the Spirit of the Living God continues to breathe fresh upon the graduates to strengthen the resolve to lift!

ADINKRAHENE, King of the Adinkra symbols meaning Authority

Historically, Black people have had to fight every step of the way for their right to vote. Against all obstacles thrown at them in 2020 and early 2021, voters of color turned out in record numbers. In response to that turn out extremist forces are now doing whatever they can to pass laws and adopt procedures that will make it harder to vote. **AND WE WILL NOT BE MOVED!**
